

# Rounding

using place  
value

using number  
lines

Connect

$$\begin{aligned} \$29 &\rightarrow \$\underline{30} \\ \$219 &\rightarrow \$\underline{200} \end{aligned}$$

568      550      600

I do

\$238

round  
nearest 10

We do

395 minutes school day  
nearest ~~hundred~~ ten

You do together on whiteboard

679 people went to yesterday's Brookwood football game. Use place value to round that to the nearest ten

You do alone on index card

Over the weekend, I helped my friend move a piece of furniture that weighs 430 pounds! Use place value to round that number to the nearest hundred
