

Box and Whisker Plots - Vocabulary and How to Interpret Them

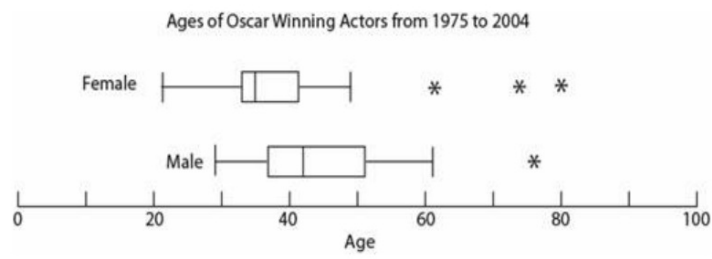

Connect

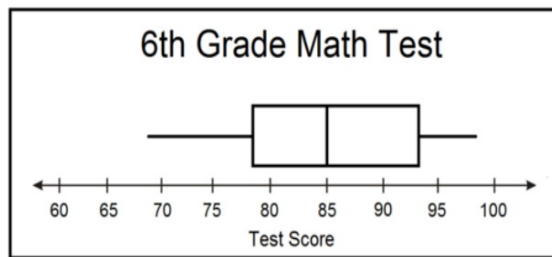

How long it took Dr D to get to school in the morning for two weeks (in minutes)

5, 6, 8, 9, 24, 25, 25, 25, 30, 75

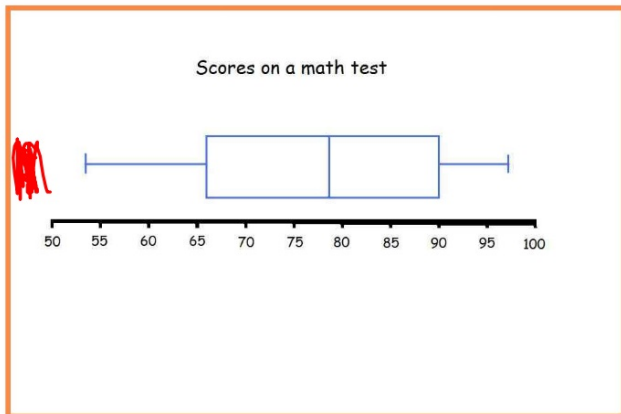

I do

We do

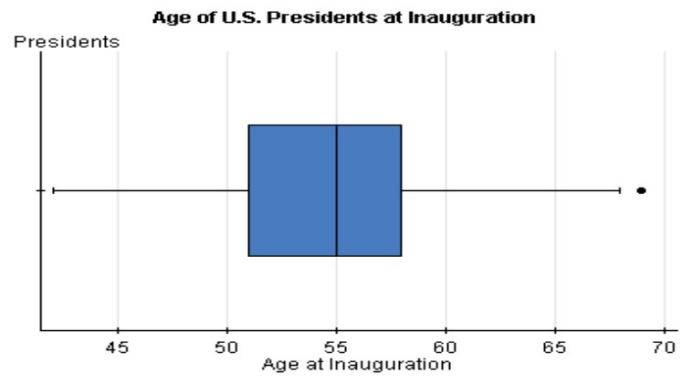

You do together on whiteboard

Label the parts of the box and whisker plot, and explain what you can about the data used to make it

You do alone on index card

Label the parts of the box and whisker plot, and explain what you can about the data used to make it
