Expanded Form Addition

I do

Mrs Griffith has 13,576 books in the media center. She then buys 1,088 more.

Exp Form

We do

I counted, and there are 127,882 sheets of paper inside RD Head right now. This afternoon, an order of 12,600 sheets of printer paper will arrive. How many sheets will there be after those arrive?

Solve

**You do together
on whiteboard**

**975 students go to Five
Forks Middle School.**

**1,939 students go to Crews
Middle School.**

**How many students
go to both schools
combined? Solve
using the standard
algorithm**

**You do alone on
index card**

**4,576,346 people live
in Atlanta.**

**4,439,717 people live
in the rest of Georgia.**

**How many people live
in Georgia all together?
Solve using the
standard algorithm**
