

Using comparison language with multiplication

Connect

Sabrina has 3 times more books than her friend Ruby

I do

$$7 \times 5 = 35$$

$$14 \times 34 = 476$$

We do

$$28 \times 54 = 1,512$$

**You do together
on whiteboard**

$$17 \times 8 = 136$$

___ is ___ times more than ___

___ is ___ times more than ___

**You do alone on
index card**

$$111 \times 8 = 888$$

___ is ___ times more than ___

___ is ___ times more than ___
